On Saturday there were 223 guided tours of the battlefield, on Sunday 203 guided trips and on Monday 175 guided visits. This compares with 124 on Saturday, 202 on Sunday and 172 on Monday last year.

## Six Companies Summoned To Small Blaze

Adams county had one of its "best covered" fires in history Monday afternoon.

The firemen's parade at Fairfield had concluded and the companies had placed their equipment on the playing field at Fairfield for inspection when the fire siren, atop the engine house, wailed a warning.

Sirens had been screeching throughout the day for the county firemen's convention and the parade, and most of the firemen ignored the sound for a few seconds. Then suddenly they realized that this was business and not pleasure.

The Fairfield, Cashtown, Hampton, New Oxford, Gettysburg and Bonneauville companies responded in that order and the entire group sped to the L. V. Plank farm along the Tract road, between Fairfield and Emmitsburg.

When the firemen arrived they found the blaze had been confined to a few feed bags and had been extinguished prior to their arrival.

## Fair Opens On Wednesday

## 339 Cars Pass Cemetery Gate In One Hour Sunday

During a one-hour period, from 2 to 3 o'clock Sunday afternoon, 339 automobiles passed the south gate of the Gettysburg National cemetery, according to a count made by Maurice Stansbury, Baltimore street.

Mr. Stansbury, a former employee of The Gettysburg Times, now a state employee at Harrisburg, makes his one-hour count each year on the Sunday before Labor Day.

Pennsylvania led all the states in the number of cars counted by Mr. Stansbury during the hour period, with 147. Maryland was second with 66 and the District of Columbia next with 21.

Twenty-four states and the District of Columbia were represented in the tourist cars passing through the cemetery gate. Eighteen license plates were from New Jersey, New York and West Virginia tied with 16; Illinois has 13, Ohio, 11, and Virginia, eight. Indiana and Texas were each represented by three cars, and Michigan, Iowa and California, two each.

One car from each of the following states was counted: Minnesota, Wisconsin, Oklahoma, Washington, Massachusetts, New Hampshire, North Carolina, Missouri, Delaware, Rhode Island and Connecticut.

## PARADE CLOSING CONVENTION OF COUNTY FIREMEN

More than 2,000 persons jammed the sidewalks of Fairfield Monday for the annual parade held in connection with the yearly Labor Day convention of the Adams County Firemen's association.

East Berlin won the \$50 prize for the company from Adams county having the most men parading, accompanied by a band. The company had 30 men in line in addition to the Spring Grove drum and bugle corps, an auxiliary, Boy Scouts, Girl Scouts and others.

Parkville (Hanover), won the \$50 for being the fire company from out of the county with most men parading. It, too, had 30 firemen marching in the parade. The prize originally was to go to the company having the most men parading with a band, but no out-of-county organization marched with a band, the judges learned. Taneytown, which was led by the Taneytown American Legion drum corps, had previously notified the parade officials that it represented one unit, while the Legion drum and bugle corps from Taneytown was acting as a separate unit.

Irishtown, with its marchers wearing green trousers, white shirts and green ties, won the \$50 for the nearest appearing group of firemen in line; Hampstead was awarded \$25 for the company coming the longest distance, and Arcadia won \$25 for having the best appearing fire apparatus, with honorable mention going to Manchester.

Hampstead also won \$25 given for the best appearing ladies' auxiliary and the Taneytown Legionnaires won \$25 for being the best appearing drum corps.

Harold Sease, Jr., won \$5 for the best decorated bicycle; Westley Sanders was second, winning \$3, and James Musselman had the third best decorated "bike," and was awarded a \$2 prize.

Judges for the parade included Paul E. Shatzer, Chambersburg; W. Emenheiser, Baltimore; Guy W. Klingler, New Oxford; Frank F. Conrad, Waynesboro, and serving as chairman of the board of judges, Robert Kleppinger, Fairfield.

**Rain Before Parade**

Rain just before the parade dampened the crowd a bit, with many of the spectators seeking shelter in doorways and on porches, but by the time the procession started, the sun was shining.

Harry Brown, on horseback, served as grand marshal for the parade, followed by officers of the county firemen's association in cars. The Blue and Gray band of Gettysburg headed the procession of fire trucks and marching units. Among the companies participating in the

## Shirley France Pulled From Channel 6 Miles From Dover

In the English Channel, Sept. 6 (AP)—Shirley May France today abandoned her attempt to swim the channel.

The 17-year-old girl from Somerset, Mass., gave up at 4:05 p. m. (10:05 a. m., EST) when she was less than six miles from England. She had been in icy waters 10½ hours.

She was estimated to have covered more than 30 miles of swimming. The channel is only 19 miles from Cap Gris Nez, France, where she started, to Dover, England—but tides force channel swimmers to cover much more than that.

Shirley May was moaning when her coach, Harry Boudakian, pulled her from the water. She had pleaded with him for 20 minutes not to make her give up.

The pretty blonde cried again and again:

"Please—please—leave me in."

The girl struggled against Boudakian when he leaned over the side of the rowboat to pull her in. She was hysterical and kept cry-

Raffensperger, assistant county superintendent of schools, welcomed the teachers to the institute.

Charles L. Yost, Biglerville high principal, led group singing and R. A. Jackson, Philadelphia, outlined the program of U. S. savings bond sales in schools through the purchase of stamps by school children.

From 10 until 12 o'clock the various teachers gathered in a number of departmental meetings. Secondary teachers heard talks on curriculum and subject matter by two speakers, Dr. Donald G. Rev. Albert E. Shenberger will officiate. Interment will be in Westminster cemetery, Carlisle.

Dr. C. G. Crist, Adams county coroner, said, following a post mortem, conducted by Dr. C. Harold Johnson, pathologist at the Warner hospital, that death was due to coronary occlusion. Dr. Crist said Wright was stricken Tuesday, August 30, at about 9:30 p. m. and death occurred within half an hour.

**Born In Scotland**

A native of Scotland, where he was born on September 26, 1897, Mr. Wright was formerly employed as a chemist at the Eaton Dikeman Paper company.

He served in World War I with the British Marines as a sergeant and was wounded three times. He came to America in October, 1923.

He was a member of the First Reformed church, Carlisle, where he was a deacon, and also of the Men's Bible class of the Sunday school.

## FIREMEN ELECT LEON LEPPA AS NEW PRESIDENT

Leon Leppa, McSherrystown, vice president of the Adams County Firemen's Association for the past year, was elected president of the county association Monday at the annual convention held at Fairfield.

Named as vice president was Calvin Lerew, chief of the East Berlin fire company. Roger Myers, Fairfield, was re-named as secretary; Edward G. Loeffel, Littlestown, as treasurer, and the Rev. George H. Berkheimer, Arendtsville, as chaplain. Other officers of the association include John Murren, Centennial, county fire marshal, and Charles Gulden, Aspers, George March, Gettysburg, and Ernest D. Bushman, Arendtsville, trustees.

The annual Memorial service will be held Sunday afternoon, November 20, at Flohr's Lutheran church at 2 o'clock, the group decided. Named to the Memorial service committee were Clarence Deardorff, Harry M. Small, Ermon H. Beecher and Melvin Kane, all of Cashtown.

**Delegates Named**

J. Faber Wildasin was named as delegate to the State Firemen's association with Treasurer Loeffel as alternate. Calvin Lerew and Archie Himes were selected as delegate and alternate, respectively, for the Southeastern Firemen's association meetings.

Amendments to the by-laws suggested last year were reported and adopted, with the firemen voting to have 5,000 copies of the constitution and by-laws printed for distribution among the membership. Most of the amendments adopted arose from a codification of the laws as amended over the years since the last printing of the full rules of the organization.

Kingsdale was accepted as a member of the county firemen's group. George March was appointed chairman of the Yearbook committee with J. Faber Wildasin and Edward Loeffel as members of that committee.

County Fire Marshal Murren said that only eight companies have reported their activities for the past year to him and asked the cooperation of all companies in order to make next year's report complete.

**Judge Sheely Speaker**

A one-minute of silence in tribute to the memory of George McClellan, one of the founders of the county group, who died during the past year, was held by the firemen.

Judge W. C. Sheely, speaking at the conclusion of the session, praised the "splendid record" of the county fire companies and termed the convention "a balance sheet to find out what is needed in each community to provide better service."

The jurist spoke also of the dangers of Communism, but pointed out that "it is an idea and as such, cannot be killed by bullets, but by a better idea. It exists not only throughout the world but even in our own county among a few. But, it, too, shall pass away, as have other similar ideas before. We have in democracy an idea that can provide the world with much more than Communism, an idea that, if it is spread to the world, can bring about that period of peace and prosperity which all men seek. It is up to us to see that democracy works, and then we need not fear that it will spread."

## CHILD FALLS, FRACTURES LEG

Drusilla Deitch, five-year-old daughter of Mr. and Mrs. Druid Deitch, Gettysburg R. 3, received treatment at the Warner hospital Saturday for a fracture of her left leg just above the ankle. The child for some time has worn a steel brace on her leg. Last New Year's eve she fell and broke it. A week ago Thursday she was sitting on a step on the back porch of her parents' home on Oak Ridge, and fell again.

Preliminary examination failed to reveal the fracture, which was shown by x-rays taken Saturday.

Francis B. McNair, 14, son of Mr. and Mrs. William McNair, Taneytown, was treated for a fractured left wrist sustained in a fall Sunday at 5:35 p. m.

James Spence, Orrianna R. 1, was treated Monday for a sprained left foot received when he bumped into a player while playing baseball for the Conewago VFW team.

Edward Martin, 15, Littlestown R. 1, who fell off a motor bike Sunday noon, was treated for multiple bruise burns.

Gordon Cook, Marysville, W. Va., was treated for acid burns about both eyes on Sunday.

Albert Weiss, 22, Pasadena, Calif., was treated Monday for burns to the right hand sustained when he poured gasoline on a fire in a cook stove and an explosion resulted.

Mrs. Edward Pfeiffer entertained the Monday Evening bridge club at her home on Baltimore street, Monday evening.

## Odom Killed In Crash

## Continuance Of Air Race Is Threatened By Odom Fatality

Cleveland, Sept. 6 (AP)—Sport flying's richest and toughest race faced a new threat to continuance today with the death of distance flier William P. "Bill" Odom, 30, and two suburban residents.

Odom's death plunged into a suburban Berea home during the second lap of the Thompson Trophy event yesterday revived the protests of area residents against the low flying speedsters, shrieking over their homes at 400 miles an hour.

The dark green racer, a converted fighter, ripped through the house, killing Mrs. Jeanne Lard, 24, and her year-old son, Craig.

Odom was flying an F-51 Mustang owned by Aviatrix Jacqueline Cochran.

**Wins Thompson Trophy**  
Cook Cleland, of Cleveland, former navy fighter pilot, took the Thompson Trophy and \$19,100 with a new record speed of 397 miles an hour. He also won in 1947 with a record 396 miles per hour that stood until yesterday.

Cleland's new mark was the last of a series established during three days of competition.

Complaints about the noise and danger came from Berea residents even before the resumption of the race in 1946 after seven years' interruption for the war. Eventually the course was revised to make a rough circle around the community of 6,000 which lies south of the airport and southwest of Cleveland.

The Labor Day tragedy, killing one of the nation's best known fliers and two persons unconnected with the sport, brought an emergency meeting of the Berea Progress Citizens League to draft a protest to state, county and nearby city officials.

## Young Veteran Goes Berserk And Kills 12; 5 Are Wounded

Camden, N. J., Sept. 6 (AP)—A 26-year-old war veteran went berserk today and shot and killed 12 persons. Five others were wounded.

Detective Marshall Thompson said the busy street on which the mass killings took place "looked like a battlefield."

Bodies were strewn all over the street. Killed in the 45-minute blast of bullets were two small boys, five women and five men.

Police authorities here said they believe it was the greatest mass slaughter on a city street in the nation's history.

Thompson said the killer was identified as Harold Unruh, of 3202 River Road, Camden.

The policeman said Unruh barricaded himself in a second-floor room and exchanged bullets with more than 50 policemen.

Tear gas finally brought him out. He was not wounded.

Thompson said police had "a heck of a time" with men and women

He left Standard Oil to obtain public accounting experience, and spent ten years in public work, including eight years as senior accountant on the New York city staff of Haskins and Sells. He handled engagements in Utah, Nevada, Montana, New England and in New York city.

Mr. Heil then served for 12 years as assistant comptroller of Borden's Farm Products company and affiliated concerns, having annual sales in excess of \$100,000,000. He had supervision of an accounting department of 100 employees. In July, 1947, Mr. Heil returned to public accounting and tax work, and came to Gettysburg to handle the tax and accounting work of the local factories.

## Young Veteran Goes Berserk And Kills 12; 5 Are Wounded

He said police had to go into the line of fire to pull dead men from cars.

"They stopped for a traffic light," Thompson said. "Then they got it."

Under heavy guard, police took the man to headquarters.

They had to fight off an angry mob of more than 1,000 who screamed "lynch him" and "hang him now!"

Identity of all the victims was not established immediately. Among those shot were a druggist and his wife, a shoe repair man, a barber and a young bride.

Detective Marshall Thompson said the shooting in this industrial city in southern New Jersey across the Delaware river from Philadelphia began at 8:20 a. m. Eastern Standard Time.

At that time, the detective said, Unruh, dressed nattily in a light suit and white shirt with bow tie, (Please Turn to Page 2)

## CAR AND TRUCK CRASH AT NOON

Damage totaled \$900 when a car and truck collided at 11:55 o'clock this morning at the intersection of West High and South Washington streets.

Borough police, who investigated, said that Raymond Franklin Alexander, 17, Fairfield R. 1, operating a car owned by his mother, Mrs. Ola V. Alexander, same address, failed to halt at the stop sign on High street and struck the left front of the south-bound truck at the intersection.

Robert Curvin Dietz, Hallam, R. 1, operated the truck which was owned by Hespelheide and Thompson, Inc., of York.

Police said they plan no arrests as insurance will cover the damage. The stop sign on High street, they said, was practically invisible to Alexander because of a tree which grows out from the sidewalk in front of the sign. Cars parked near the sign also helped to obscure it.

## CYCLIST HURT IN CAR CRASH

Leo Noel, 58, 113 Third street, McSherrystown, was reported injured today at the Warner hospital where he is a patient as the result of serious injuries received Monday at 2:30 p. m. when a motor bike he was riding was struck by a car at the intersection of the Two Taverns-Bonneauville road.

## Shirley France Pulled From Channel 6 Miles From Dover

In the English Channel, Sept. 6 (AP)—Shirley May France today abandoned her attempt to swim the channel.

The 17-year-old girl from Somerset, Mass., gave up at 4:05 p. m. (10:05 a. m., EST) when she was less than six miles from England. She had been in icy waters 10½ hours.

She was estimated to have covered more than 30 miles of swimming. The channel is only 19 miles from Cap Gris Nez, France, where she started, to Dover, England—but tides force channel swimmers to cover much more than that.

Shirley May was moaning when her coach, Harry Boudakian, pulled her from the water. She had pleaded with him for 20 minutes not to make her give up.

The pretty blonde cried again and again:

"Please—please—leave me in."

The girl struggled against Boudakian when he leaned over the side of the rowboat to pull her in.

She was hysterical and kept cry-

ing: "Look how near it is." She had been within sight of the white cliffs of Dover for more than two hours.

"Leave me! Leave me!" she cried.

Men swimmers from an accompanying launch jumped into the water and held her against the side of a rowboat as she tried to get away.

Shirley May's father, J. Walter France, was in tears too.

"Never mind, baby, never mind," he admonished her.

He had tried to talk her into giving up several hours before, when the tides were running against her.

A sudden shift in the tide's flow had boosted her chances then.

"We can come another year, sweetheart," her father said.

When Shirley May was pulled into the escort boat she sat on the floor. Her father knelt beside her and wrapped her in his arms.

Her goggles slipped off. Her eyes were closed. She slumped down utterly exhausted. Her father wrapped blankets around her.

He told her again and again:

"You did fine baby. You did fine."

## FIREMEN ELECT LEON LEPPO AS NEW PRESIDENT

Leon Leppo, McSherrystown, vice president of the Adams County Firemen's Association for the past year, was elected president of the county association Monday at the annual convention held at Fairfield.

Named as vice president was Calvin Lerew, chief of the East Berlin fire company. Roger Myers, Fairfield, was re-named as secretary; Edward G. Loeffel, Littlestown, as treasurer, and the Rev. George H. Berkheimer, Arendtsville, as chaplain. Other officers of the association include John Murren, Centennial, county fire marshal, and Charles Guiden, Aspers, George March, Gettysburg, and Ernest D. Bushman, Arendtsville, trustees.

The annual Memorial service will be held Sunday afternoon, November 20, at Flohr's Lutheran church at 2 o'clock, the group decided. Named to the Memorial service committee were Clarence Dearthoff, Harry M. Small, Ermon H. Beecher and Melvin Kane, all of Cashtown.

Delegates Named. J. Faber Wildasin was named as delegate to the State Firemen's association with Treasurer Loeffel as alternate. Calvin Lerew and Archie Himes were selected as delegate and alternate, respectively, for the Southeastern Firemen's association meetings.

Amendments to the by-laws suggested last year were reported and adopted, with the firemen voting to have 5,000 copies of the constitution and by-laws printed for distribution among the membership. Most of the amendments adopted arose from a codification of the laws as amended over the years since the last printing of the full rules of the organization.

Kingsdale was accepted as a member of the county firemen's group. George March was appointed chairman of the Yearbook committee with J. Faber Wildasin and Edward Loeffel as members of that committee.

County Fire Marshal Murren said that only eight companies have reported their activities for the past year to him and asked the cooperation of all companies in order to make next year's report complete.

Judge Sheely Speaker

A one-minute of silence in tribute to the memory of George McClellan, one of the founders of the county group, who died during the past year, was held by the firemen.

Judge W. C. Sheely, speaking at the conclusion of the session, praised the "splendid record" of the county fire companies and termed the convention "a balance sheet to find out what is needed in each community to provide better service."

The jurist spoke also of the dangers of Communism, but pointed out that "It is an idea and as such, cannot be killed by bullets, but by a better idea. It exists not only throughout the world but even in our own county among a few. But, it, too, shall pass away, as have other similar ideas before. We have in democracy an idea that can provide the world with much more than Communism, an idea that, if it is spread to the world, can bring about that period of peace and prosperity which all men seek. It is up to us to see that democracy works, and then we need not fear that it will spread."

## Odom Killed In Crash

Bill Odom, killed in the second lap of the Thompson Trophy Race at the National Air Races at Cleveland when his dark green "Be-guine" crashed, walks wing in stocking feet with plane owner Jacqueline Cochran Odom after Odom won the open-class, closed course event. ## Continuance Of Air Race Is Threatened By Odom Fatality

Cleveland, Sept. 6 (AP)—Sport flying's richest and toughest race faced a new threat to continuance today with the death of distance flier William P. "Bill" Odom, 30, and two suburban residents.

Odom's death plunged into a suburban Berea home during the second lap of the Thompson Trophy event yesterday revived the protests of area residents against the low flying speedsters, shrieking over their homes at 400 miles an hour. The dark green racer, a converted fighter, ripped through the house, killing Mrs. Jeanne Laird, 24, and her year-old son, Craig.

Odom was flying an F-51 Mustang owned by Aviatrix Jacqueline Cochran.

Wins Thompson Trophy. Cook Cleland, of Cleveland, former navy fighter pilot, took the Thompson Trophy and \$19,100 with a new record speed of 397 miles an hour. He also won in 1947 with a record 396 miles per hour that stood until yesterday.

Cleland's new mark was the last of a series established during three days of competition.

Complaints about the noise and danger came from Berea residents even before the resumption of the race in 1946 after seven years' interruption for the war. Eventually the course was revised to make a rough circle around the community of 6,000 which lies south of the airport and southwest of Cleveland.

The Labor Day tragedy, killing one of the nation's best known fliers and two persons unconnected with the sport, brought an emergency meeting of the Berea Progressive Citizens League to draft a protest to state, county and nearby city officials.

The policeman said Unruh barricaded himself in a second-floor room and exchanged bullets with more than 50 policemen.

Tear gas finally brought him out. He was not wounded.

Thompson said police had "a heck of a time" with men and women

## CAR AND TRUCK CRASH AT NOON

Damage totalling \$900 when a car and truck collided at 11:55 o'clock this morning at the intersection of West High and South Washington streets.

Borough police, who investigated, said that Raymond Franklin Alexander, 17, Fairfield R. 1, operating a car owned by his mother, Mrs. Ola V. Alexander, same address, failed to halt at the stop sign on High street and struck the left front of the south-bound truck at the intersection.

Robert Curvin Dietz, Hallam, R. 1, operated the truck which was owned by Hespelheide and Thompson, Inc., of York.

Police said they plan no arrests as insurance will cover the damage. The stop sign on High street, they said, was practically invisible to Alexander because of a tree which grows out from the sidewalk in front of the sign. Cars parked near the sign also helped to obscure it.

## SEE NO DANGER IN RED MOVES

Bucharest, Romania, Sept. 5 (AP)—Western diplomats in Bucharest do not believe the Cominform countries will go to war against Marshal Tito of Yugoslavia.

They are not unduly concerned with reports published abroad that troops are being concentrated against Yugoslavia.

Bucharest is headquarters of the Cominform (Communist International Information Bureau) and therefore an extremely sensitive listening post.

A Romanian spokesman declared last week that reports of troop concentrations were "unfounded and an act of provocation."

As far as the underground opposition here and in other Communist

countries is concerned, however, the Tito-Cominform split has come as a bonanza.

These countries have not settled down under their Communist regimes as is proved by local government appeals for renewed class vigilance.

In New York the United Nations World predicted that 20 to 25 key Communists in Cominform countries would soon desert Moscow and swing over to Tito.

The magazine, a privately printed publication, said Tito is preparing to launch a new worldwide Communist organization to compete with the Cominform.

Scallion is named after Ascalon, ancient Palestine port, which shipped onions in Mediterranean trade.

The quinoa plant, which grows in the Andes at altitudes of 12,000 and 15,000 feet, is useful as food, fiber and in other Communist drink and medicine.

Down the stretch come the New York Yankees and St. Louis Cardinals, clinging desperately to 1½ game leads that tradition says they should hold.

Only five of the last 20 Labor Day leaders have failed to make the World Series in the last 10 years. . . But maybe the runnerup Boston Red Sox and Brooklyn Dodgers don't read the record books.

A year ago the Red Sox were on top by the same 1½ game margin, with the Yankees second and the Cleveland Indians, eventual winners after a playoff, third by 4½ games.

Brooklyn, too, has no happy memories of Labor Day 1948. That was the day they were practically eliminated from the National League race by dropping a doubleheader to Boston. The Braves, their lead bolstered to four games, never were ousted.

**Lose One Game**  
St. Louis lost a game of its lead to the Dodgers yesterday when they split with Pittsburgh while Brooklyn was thumping Boston twice, 7-2 and 13-2.

Red Munger breezed to his 13th win in the Cards' opener as Enoch Slaughter drove in five runs in the rout of Murry Dickson, 9-1. The same Munger, trying for the daily double in the second game, lost the decision on relief in the 10th inning when doubles by Danny Murtaugh and Stan Rokjck gave Pittsburgh a 5-4 edge.

Brooklyn turned the power loose on the weary Braves who now are only one game above the .500 mark. After Joe Hatten was knocked out in the first inning of the morning game, Carl Erskine and Paul Minner contributed 8 2/3 innings of no-hit relief pitching for the edge over Warren Spahn. Preacher Roe tied the National League strikeout high for the year, whiffing 11 in the lopsided second game 13-2.

**Phillies Win Two**  
The soaring Phillies extended their win streak to six games by dumping the New York Giants, 9-7 and 4-2. Del Ennis' homer and three singles helped Dutch Meyer best Dave Koslo in the second game after a four-run rally in the ninth gave Ken Heintzelman the nod over Relieffer Adrian Zabala in the opener.

Cincinnati trimmed Chicago, 7-3, in the first game with a four-run knockout blast against Dutch Leonard in the ninth. Johnny Schmitz stopped the Reds in the second, 7-2. All four first division clubs swept doubles in the American, leaving the Yanks' lead safe at 1½ games. New York blasted Philadelphia, 13-4 and 5-2, while the Red Sox ran over Washington 5-2 and 12-2.

Joe DiMaggio's grand slam homer broke open the first game for the Yanks when Vic Raschi came up with his 18th victory over Lou Brissie.

DiMaggio was forced to leave the second game because of cramps in both legs after the first inning, but the Yanks put on a four-run spurge in the fourth to win. The game was called by darkness after seven innings.

Mel Parnell earned his 21st win in Boston's 5-2 opening triumph, although nicked for 11 hits. Bobby Doerr's 17th homer off Sid Hudson starter the Sox on their way. They cut loose with a 16-hit attack in the second, including Vern Stephens' 36th homer. Walt Masterson, an ex-Senator, silenced his old mates with seven hits.

Cleveland took a pair from Chicago, 5-3 and 6-4. Larry Doby hit a homer in each game and George Metkovich hit two for the White Sox in the second game. And Bob Lemon tossed a four-hitter to cap No. 18 in the finale.

Detroit continued to sizzle, making it 14 out of their last 16 by subduing St. Louis twice, 4-0 and 2-1. Neat pitching jobs by Freddie Hutchinson, who spun a four-hit shutout against Al Papai, and by Art Houtteman whose tossed a six hit, did the trick.

### Sunday's Games

Cashtown at Wenksville.
Bendersville at Greenmount.

All four teams for the Shaughnessy playoffs in the South Penn Baseball league were determined Monday when Bendersville rallied to take a thrilling contest from Brushtown 8-7 at Bendersville and thereby clinch the fourth place spot.

President Glenn Bream announced today the two semi-final three-game series will open next Sunday with Cashtown playing at Wenksville and Bendersville at Greenmount.

A large crowd was on hand at the Apple Bowl to see the tie broken for fourth place. Brushtown got off to a big lead and held a 7-1 margin in the sixth inning. In the last of the sixth Bendersville tallied three times and added two in the eighth to make the score 7-6.

A pair of runs with two out in the last of the ninth clinched the game for the upper countians. Rice flied to center and then Slaybaugh singled. Ed Singley forced Slaybaugh at second. Singley stole second and scored on Tuckey's single along the right field foul line to knot the score. Tuckey followed with a steal of second and tallied the winning run when Brough singled between first and second. Ogden hurled well for Bendersville with Tuckey starring afield and at bat.

Cashtown clinched third place by pounding out a 13-10 decision at New Oxford.

Wenksville was blanked until the fifth inning and then pounded over five runs to defeat Granite 5-3 at Wenksville.

An automobile accident which prevented Clyde and Harold Cleveland from reaching the game forced Hunterstown to forfeit its game at Green Springs. Left with but eight players Hunterstown recruited an ineligible player and won an exhibition game 11-1.

Greenmount pounded over seven runs in the third inning, featured by a homerun by J. Fissel, to defeat its arch rival Barlow 13-9 at Barlow. Both teams hit hard with Barlow rallying in the late innings after Greenmount had a comfortable lead. Abe Hankey collected three safeties for the winners while Shomper poled four for Barlow.

Bonneauville nipped Heidlersburg 4-3 at Bonneauville. Ginter gaining the hurling decision over Decker.

### FIFTY YEARS AGO

The Vast G.A.R. Reunion: Never, since the order of the Grand Army of the Republic was organized, was there so great an outpouring of the gray-haired boys in blue as Philadelphia saw last week. From every state in the Union they poured into that city on Saturday, Sunday, Monday and Tuesday, and never were the railroads so pushed to haul them and the thousands that accompanied them.

Five vessels of the North Atlantic squadron were anchored in the Delaware River. On Monday the officers and men of the fleet participated in the parade of naval veterans, 3,000 men being in line.

President McKinley and a number of his cabinet members arrived Tuesday morning and reviewed the great military parade of that day. Upwards of 30,000 veterans of the G.A.R. participated in the demonstration. At the official welcome to the G.A.R. and auxiliary organizations President McKinley made an address.

Colonel Albert D. Shaw, of New York, was elected commander-in-chief. A motion that captured rebel flags be returned was defeated by a very large majority.

**Marriages:** Gise-Yeatts—August 22, at Heidlersburg, by Rev. Cyrus E. Held, B. Frank Gise to Miss S. May Yeatts, both of Tyrone township.

**Local Miscellany:** At high noon next Tuesday, the Masonic Lodge Room in this place, will be dedicated. The grand lodge officers will arrive the day before.

Peter McCarritt, on Saturday purchased from the administrator of Adams Shoemaker's estate the house on Carlisle street, occupied by Dr. T. T. Tate, for \$2,150.

Dr. J. W. C. O'Neal bought the four-acre tract of woodland in Ham-Konban township from the Adams Shoemaker estate for \$5 an acre.

J. George Wolf's Sons Co., Ltd., have purchased the Jacob Sheads property used as a lumber yard corner Railroad and Stratton streets, with all the equipment, wagons, etc.

**Public Schools Open:** The public schools opened on Monday with an attendance of 424. The first overflow school, taught by Miss McAllister, has been moved to the Meade school. It will relieve the C grammar and the 2nd Intermediate schools. The second one, taught by Miss Wertz, will relieve the 1st Intermediate and the 3rd Primary schools.

Miss Lena Kallfleisch has presented to the high school library 40 books of history and adventure. This brings the total number of books in the library up to 491.

**York County's Anniversary:** Sprightly and vigorous at the completion of her 150th year, York county this week gives herself up to festivities incident to the celebration of the county's sesqui-centennial.

The events around which interest centered on Monday were the historical meeting in the Opera House, commemorating the 150th anniversary of the founding of York county and the dedication of the new high school building.

The big event of Monday was the parade of pupils of the public schools of York county and the high school dedication. Nearly 6,000 school children turned out in the parade and the result was one of the most beautiful street demonstrations ever seen in York.

## Today's Talk

By GEORGE MATTHEW ADAMS

### REDEMPTION

This world will never be brought to anything like its normal, happy self with marching armies, battleships—or schemes.

There is only one recipe for the redemption of the world—and that is to get a full measure of love and a desire to serve others into the hearts of everybody.

Selfishness—and selfishness alone—is the great besetting sin of the world!

Happiness is able to come to you, and fill you to overflowing, so that you will feel warm in your heart. But you will have to find it in the first place by giving it to someone else.

Yes, my friend, we all do want to be happy. That's what the miner-prospecter has in mind when he gives up all and digs into the earth.

But, even though he wins, he is disappointed. For wealth can't give happiness. That's what the writer, the artist, the orator, the statesman thought he was after—but after a long while he learns that only simple service rendered in the behalf of others can give him any reaction that glows in his heart.

The mother finds genuine happiness in her baby for she feels that her very heart and body have gone into the bundle of life within her arms.

Appreciation makes you extremely happy, for you get back what you have unselfishly given away.

Europe is unhappy, tired, discouraged, and full of fear—because the nations over there each want something that the other has, instead of wanting to give what the other needs. The Poppies "in Flanders Field" understand and weep every night as the sun goes down.

And that is the trouble in America—too many people see something in the pockets of the other fellow which they want.

The sad, grim tragedy of this human life of ours, is this—hungry, crying hearts!

Don't say that God has gone away, that He isn't around any more. You have to go where He is—and He is wherever human need is. You see Him where there is work to be done and service to be performed.

Find Him and your Redemption will become a fact!

(Author's note: This Talk was written 30 years ago, after the First World War. A reader, who kept it, has requested that it be run again. Not a word has been changed. Its application is as significant today as when written.)

Tomorrow Mr. Adams will talk on the subject: "To Be Welcomed."

### LABOR DAY

Tribute to Labor! Every spire  
And every roof and every wall  
And every blazing furnace fire  
Some worker's patient toil recall.

From hands that have the gift of skill  
For sure and certain hammer blow,  
From work with wrench and lathe  
And drill  
Comes every comfort mortals know.

Dreamers the marvels new conceive,  
But workers do what dreamers plan,  
And all that genius can achieve  
Depends upon the working man.

He builds and fashions; plants and sows;  
Stretches the rails across the land;  
All things which men have made disclose  
The labor of some skillful hand.

The clothes we wear; the fruits we eat;  
The grain that gilds the fertile soil;  
The prayed for daily bread and meat  
Are products all of human toil.

If but the workers' hands be stayed,  
At that bleak moment progress ends!  
For every forward step that's made  
Upon the men who toil depends.

## Rivet-Throwing Champs Decided

Harrisburg, Pa., Sept. 6 (AP)—Get out the record books, boys, here's a new one—and with rivets yet.

Eddie Derr of Middletown, Pa., and Clarence Price, Pittsburgh, teamed up yesterday to win the "national rivet-throwing championship" with heaves of 125 feet.

Derr acted as the pitcher, tossing red-hot rivets to Price, who caught them in a funnel while standing on a four-inch wide steel girder atop a metal tower.

## 52 BEAUTIES SEEK TITLE OF MISS AMERICA

Atlantic City, N. J., Sept. 6 (AP)—Fifty-two blondes and brunettes—but no redheads—today begin the annual battle for the Miss America crown and all that goes with it.

For a week the girls will compete in various phases of the contest. And the final judgment on beauty must be on the up and up—no "falsies" or padding in the bathing suits is allowed.

Contestants cannot drink intoxicating liquors or see their boy friends during the contest under the Miss America rules. Each will be chaperoned by a local hostess.

The girls represent 45 states, four big cities, Hawaii, Puerto Rico and Canada. Only three states—Delaware, Idaho and Rhode Island—don't have an entry. New York, Chicago, Philadelphia and Washington each sent an entry.

The pageant opens this afternoon at 3 p. m., with a Mardi Gras parade on the boardwalk. The first preliminary contest is set for tomorrow night at Convention hall. The field will be narrowed to 15 on Saturday night, and from these the new Miss America will be chosen.

During three nights of preliminaries the girls will be judged on their figures in bathing suits, their poise in evening gowns and their talent. Personalities will be assessed by the judges at breakfast each morning.

A \$5,000 scholarship goes with the proud title of Miss America. Last year's queen—Bebe Shopp of Hopkins, Minn.—netted a reported \$50,000 during the year for personal appearances. She recently returned from a European tour.

## SCOUR WOODS FOR 2 AIRMEN

Erie, Pa., Sept. 6 (AP)—Mountainous wooded country south of Warren today came under scrutiny of Air Force searching parties hunting two lost airmen.

A resident of Iona, near Warren, reported he saw a plane with a disabled engine at about the time the fliers disappeared, Lieut. Charles Ferguson of Selfridge Field, Mich., said.

Missing are Capt. William Parker, 33, of Sheraden, near Pittsburgh, and Lieut. Joseph H. Walker, Jr., of Homeville, also a Pittsburgh suburb.

They were flying an Air Force trainer nine days ago from Scott

Field, Ill., to their homes for a week-end visit.

Lieutenant Ferguson said another search of the area south of Warren would be made, although the district already has been gone over at least four times.

"It's awful rough country there," the Air Force official said. "They could have gone down without our seeing them in previous searches of the area."

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTY YEARS AGO

The Vast G.A.R. Reunion: Never, since the order of the Grand Army of the Republic was organized, was there so great an outpouring of the gray-haired boys in blue as Philadelphia saw last week. From every state in the Union they poured into that city on Saturday, Sunday, Monday and Tuesday, and never were the railroads so pushed to haul them and the thousands that accompanied them.

Five vessels of the North Atlantic squadron were anchored in the Delaware River. On Monday the officers and men of the fleet participated in the parade of naval veterans, 3,000 men being in line.

President McKinley and a number of his cabinet members arrived Tuesday morning and reviewed the great military parade of that day. Upwards of 30,000 veterans of the G.A.R. participated in the demonstration. At the official welcome to the G.A.R. and auxiliary organizations President McKinley made an address.

Colonel Albert D. Shaw, of New York, was elected commander-in-chief. A motion that captured rebel flags be returned was defeated by a very large majority.

**Marriages:** Gise-Yeatte—August 22, at Heidlersburg, by Rev. Cyrus E. Held, B. Frank Gise to Miss S. May Yeatse, both of Tyrone township.

**Kinneman-Stremmel**—September 3, at New Oxford, by Rev. P. E. Hemer, John F. Kinneman, of Berwick township, to Miss Alverta E. Stremmel, of Oxford township.

**Rider-Kuhn**—August 17, in this place, by Rev. Father T. J. Crotty, John M. Rider to Miss Mary A. Kuhn, both of Mountjoy township.

**Local Miscellany:** At high noon next Tuesday, the Masonic Lodge Room in this place, will be dedicated. The grand lodge officers will arrive the day before.

**Peter McCarritt**, on Saturday purchased from the administrator of Adams Shoemaker's estate the house on Carlisle street, occupied by Dr. T. T. Tate, for \$2,150.

**Dr. J. W. C. O'Neil** bought the four-acre tract of woodland in Hamlin township from the Adam Shoemaker estate for \$5 an acre.

**J. George Wolf's Sons Co., Ltd.**, have purchased the Jacob Sheads property used as a lumber yard corner Railroad and Stratton streets, with all the equipment, wagons, etc.

**Public Schools Open:** The public schools opened on Monday with an attendance of 424. The first overflow school, taught by Miss McAlister, has been moved to the Meade school. It will relieve the C grammar and the 2nd Intermediate schools. The second one, taught by Miss Wertz, will relieve the 1st Intermediate and the 3rd Primary schools.

**Miss Lena Kallfleisch** has presented to the high school library 40 books of history and adventure. This brings the total number of books in the library up to 491.

**York County's Anniversary:** Sprightly and vigorous at the completion of her 150th year, York county this week gives herself up to festivities incident to the celebration of the county's sesqui-centennial.

The events around which interest centered on Monday were the historical meeting in the Opera House, commemorating the 150th anniversary of the founding of York county and the dedication of the new high school building.

The big event of Monday was the parade of pupils of the public schools of York county and the high school dedication. Nearly 6,000 school children turned out in the parade and the result was one of the most beautiful street demonstrations ever seen in York.

**Personal Mention:** Among those of our citizens who left Tuesday, morning to attend the celebration at York are: Wm. F. Codori and family, Mrs. Tyson Tipton, Charles Kuntmiller, Al Plant, Harry Pfeffer, Mrs. Edw. H. Pfler and daughter, Mrs. Alma Edwina Iselle, are spending several days in Hagerstown, Md., accompanied by Mrs. Annie Miller and daughter Harriet.

## Today's Talk

By GEORGE MATTHEW ADAMS

### REDEMPTION

This world will never be brought to anything like its normal, happy self with marching armies, battleships—or schemes.

There is only one recipe for the redemption of the world—and that is to get a full measure of love and a desire to serve others into the hearts of everybody.

Selfishness—and selfishness alone—is the great besetting sin of the world.

Happiness is able to come to you, and fill you to overflowing, so that you will feel warm in your heart. But you will have to find it in the first place by giving it to someone else.

Yes, my friend, we all do want to be happy. That's what the miner-pro prospector has in mind when he gives up all and digs into the earth. But, even though he wins, he is disappointed. For wealth can't give happiness. That's what the writer, the artist, the orator, the statesman thought he was after—but after a long while he learns that only simple service rendered in the behalf of others can give him any reaction that glows in his heart.

The mother finds genuine happiness in her baby for she feels that her very heart and body have gone into the bundle of life within her arms.

Appreciation makes you extremely happy, for you get back what you have unselfishly given away.

Europe is unhappy, tired, discouraged, and full of fear—because the nations over there each want something that the other has, instead of wanting to give what the other needs. The Poppies "in Flanders Field" understand and weep every night as the sun goes down.

And that is the trouble in America—too many people see something in the pockets of the other fellow which they want.

The sad, grim tragedy of this human life of ours, is this—hungry, crying hearts!

Don't say that God has gone away, that He isn't around any more. You have to go where He is—and He is wherever human need is. You see Him where there is work to be done and service to be performed.

Find Him and your Redemption will become a fact!

(Author's note This Talk was written 30 years ago, after the First World War. A reader, who kept it, has requested that it be run again. Not a word has been changed. Its application is as significant today as when written.)

Tomorrow Mr. Adams will talk on the subject: "To Be Welcomed."

### LABOR DAY

Tribute to Labor! Every spire  
And every roof and every wall  
And every blazing furnace fire  
Some worker's patient toil recall.

From hands that have the gift of skill  
For sure and certain hammer blow,  
From work with wrench and lathe  
And drill  
Comes every comfort mortals know.

Dreamers the marvels new conceive,  
But workers do what dreamers plan,  
And all that genius can achieve  
Depends upon the working man.

He builds and fashions; plants and sows;  
Stretches the rails across the land;  
All things which men have made disclose  
The labor of some skillful hand.

The clothes we wear; the fruits we eat;  
The grain that gilds the fertile soil;  
The prayed for daily bread and meat  
Are products all of human toil.

If but the workers' hands be stayed,  
At that bleak moment progress ends!  
For every forward step that's made  
Upon the men who toil depends.

## Rivet-Throwing Champs Decided

Harrisburg, Pa., Sept. 6 (AP)—Get out the record books, boys, here's a new one—and with rivets yet.

Eddie Derr of Middletown, Pa., and Clarence Price, Pittsburgh, teamed up yesterday to win the "national rivet-throwing championship" with heaves of 125 feet.

Derr acted as the pitcher, tossing red-hot rivets to Price, who caught them in a funnel while standing on a four-inch wide steel girder atop a metal tower.

## 52 BEAUTIES

SEEK TITLE OF  
MISS AMERICA

Atlantic City, N. J., Sept. 6 (AP)—Fifty-two blondes and brunettes—but no redheads—today begin the annual battle for the Miss America crown and all that goes with it.

For a week the girls will compete in various phases of the contest. And the final judgment on beauty must be on the up and up—no "falsies" or padding in the bathing suits is allowed.

Contestants cannot drink intoxicating liquors or see their boy friends during the contest under the Miss America rules. Each will be chaperoned by a local hostess.

The girls represent 45 states, four big cities, Hawaii, Puerto Rico and Canada. Only three states—Delaware, Idaho and Rhode Island—don't have an entry. New York, Chicago, Philadelphia and Washington each sent an entry.

The pageant opens this afternoon at 3 p. m. with a Mardi Gras parade on the boardwalk. The first preliminary contest is set for tomorrow night at Convention hall. The field will be narrowed to 15 on Saturday night, and from these the new Miss America will be chosen.

During three nights of preliminaries the girls will be judged on their figures in bathing suits, their poise in evening gowns and their talent. Personalities will be assessed by the judges at breakfast each morning.

## HOLIDAY DEATH TOLL NEAR 500; ROADS JAMMED

(By The Associated Press)

The nation today grimly counted a record breaking accidental death toll for the three-day Labor Day holiday.

The full count of fatalities was not yet tabulated but the nearly 500 persons who lost their lives in accidents over the extended holiday

was the largest for any Labor Day weekend in history.

The highways took the heaviest toll. Of the 499 persons killed in violent accidents, 374 lost their lives in automobile mishaps. The traffic total was nearly 100 above the estimated 280 probable death toll made by the National Safety Council.

Forty-five persons drowned and 80 died in accidents of miscellaneous causes.

The fatalities in an Associated Press survey covered the period from 6 p. m. Friday to midnight Monday.

**Record Is 761**

This year's Labor Day total compared with the previous high of 428

over the 1937 Labor Day holiday. The record-breaking toll for a Labor Day holiday weekend followed the all time high in accidental deaths over the 1949 Fourth of July when 711 persons died violently. The all-time mark is the 761 fatalities over the four-day Christmas period in 1936.

Some 30,000,000 automobiles crowded the nation's highways, the Safety Council estimated, as the nation observed the final holiday weekend of the summer season. Weather generally was fair.

Plane crashes figured in the fatalities. Included in the plane deaths was Bill Odom, the famous round-the-world flyer, who crashed in the Thompson Trophy air race at Cleveland. Four persons were killed in a plane crash in Arizona.

Accidental deaths by states, listing traffic, drownings and miscellaneous causes include:

Maryland 6, 0, 1; New Jersey 7, 0, 0; New York 15, 1, 6; Ohio 18, 3, 5; Pennsylvania 11, 2, 9; West Virginia 2, 0, 0.

## PARADE CLOS

(Continued from Page 1)

The parade were Littlestown, Gettysburg, Abbotstown, Barlow, Biglerville, East Berlin, Irishtown, Cashtown, Kingsdale, Pountindale, Aspers, Centennial, McSherrystown, Bon-neauville, Hampton, and New Oxford, all from Adams county, and Taneytown, McConnellsburg, Blue Ridge Summit, Manchester, Thurmont, Emmitsburg, Hampstead and Parkville, from out of the county.

Gettysburg firemen, in uniform, rode on their trucks, presenting an excellent appearance, but effectively wiping out their chances at a prize. With about 35 men in uniform, the company could have won the prize for the largest number of men marching, the judges pointed out.

## \$34,000 Race Is

On Indiana Card

Indianapolis, Sept. 6 (AP)—The \$34,000 horseman stake for two-year-old trotters headed the second-day grand circuit racing program at the Indiana state fair today.

The Saunders Mills stables of Toledo won the major share of yesterday's purses as Ralph Baldwin victories in feature horseman fu-

turities for three-year-olds. A crowd of more than 12,000 watched Bangaway win the \$15,675 trot in the straight-heat times of 2:07 and 2:05 for the mile track. Stormyway, like his stablemate, drove Bangaway and Stormyway to son of Volomite, won the \$11,755 pace after finishing a poor fifth in the first heat. His winning times were 2:05 2/5 and 2:03 4/5 over the track made heavy by Sunday rains.
